PRESENTATION BY ARC FOR A RESIDENCE AT 102 STONEWALL CIRCLE

Mr. Steve Yellin, Assistant Executive Director of Arc Westchester came before the Board to share information regarding a new certified residence that Arc plans to develop at 102 Stonewall Circle. Arc feels very strongly that each of the homes they operate fit into the neighborhood. He opined that "You could drive by and not know that the home is a group residence as it is well maintained and kept in the character of the neighborhood". The notification letter and fact sheet along with the other materials sent to the Town are required by New York State Law. This notification allows the agency to make its residential intentions known and to open a dialogue such as this. Arc is only planning to serve two young adult men between the ages of 21 and 30 years old. Arc clearly intends to keep this as a home for two individuals as this is the backbone of the model of service. It is also a part of the agreement that Arc has with the owner of the home. This home is not going to be owned by Arc Westchester. For Arc Westchester to operate this program we are leasing the home from its owner. This is a lease agreement and the home will remain on the Town of Harrison tax roll. This residence is considered a supervised home; so, when the individuals are present staff will also be present. The residence will have live-in staff. The person or couple (staff) will have the home as their primary place of residence. This is not a house with the typical shift schedule. Rather, this type of program is referred to as "shared living". The family teaching professional and the individuals with disabilities will together share this home.

Supervisor Belmont asked Mr. Yellin to confirm for the Board that the house will stay well-manicured, won't have any markings and that there are only going to be two individuals living in the home and asked if that could change down the road.

Mr. Steve Yellin, Assistant Executive Director of Arc Westchester confirmed that the Supervisor was correct. Mr. Yellin also confirmed that Arc Westchester has an understanding with the owner in which we are leasing the home that we will keep this home at two people.
