Re: Pavement Rehabilitation Capital Program

Dear Mayor Belmont and Members of the Village Board:

Village Board authorization is requested for approval of the Pavement Rehabilitation item from the 2018 Proposed Department of Public Works Capital Budget in the amount of \$1,691,000. Funding from the 2017 Approved Capital Budget and CHIPS funding will be utilized for the initial \$309,000 worth of work, resulting in a reduction of the \$2 million requested in the budget proposal to \$1,691,000.

Approval of these funds at this time will enable the department to continue pavement rehabilitation program as outlined in the Pavement Management Study performed in 2015.

A bonding resolution would be brought to the Board at a subsequent meeting.

Respectfully submitted,

Anthony P. Robinson
Commissioner of Public Works
