Re: Installation of Stop Signs

Supervisor/Mayor Belmont and Members of the Village Board:

I respectfully request the Village Board pass a resolution to install two Stop Signs on West Street and two Stop Signs on Ellsworth Avenue.

1. At the intersection of West Street (North Bound) and Palma Drive
2. At the intersection of West Street (South Bound) and Century Trail
3. At the intersection of Ellsworth Avenue and Bradford Street (North Bound) and (South Bound)

After investigating these intersections it shows an existing line of sight problem for motorists entering the roadway as well as an increase in motor vehicle accidents on Ellsworth Avenue at the intersection of Bradford Street. The installation of stop signs at these locations will limit the potential for motor vehicle accidents.

Respectfully submitted,

Michael D. Olsey  
Chief of Police

MO/jc
