[EXTERNAL EMAIL] Addition of Stop Signs on Oakland Avenue

Good Afternoon,

For Law Dept. and Engineering review: (See attached)

I would like to propose to the Board to make Oakland Avenue a four way stop at the intersection with Haviland and Glen Oak Drive. Currently there is a stop sign at the bottom of Haviland and also at Glen Oak.

When the passive recreation area opens, there will be two parks in the immediate area, and would anticipate increased pedestrian traffic in the area.

Please let me know if any questions or problems from your perspectives.

Thank you- John

John T. Vasta Chief of Police
