OLD BUSINESS

Supervisor Belmont explained that this would be Councilwoman Amelio's last meeting. He thanked her for her service to the town for the past eight years. He went on further to say that it had been a wonderful experience serving with her since he became Supervisor six years ago. He thanked her for her service and wished her many happy years to come.

Councilman Sciliano also had praise for Councilwoman Amelio. He agreed with the Supervisor's remarks and added that the fruits of the Holiday Project showed tonight that it has been a great success for the town. He thanked her for starting the Holiday Project.

Councilman Malfitano spoke well of Councilwoman Amelio, He went on to say that those who have had the opportunity to work with Marlene over the years know how much she cares and dedicates herself to the Town of Harrison truly from the bottom of her heart. He had witnessed her putting countless hours and effort into representing the community in many ways and he knew she has mixed feelings about leaving. She gave everything to this community from the bottom of her heart and over the years those efforts clearly will not go unnoticed. He personally wanted to thank her for all that she has accomplished on behalf of the community.

Harrison resident Elizabeth Pritchard said she wanted to speak for the Democratic Party and many of the citizens of Harrison. We know that you have always listened. We didn't always get the answer we wanted but we know that you listened and considered what we were asking for and we will miss you.

Councilwoman Amelio said I think you touched on an important point and that is sometimes when people don't get the result that they wanted they don't understand the hard work that went into trying to move something along. It has been a pleasure working here and thank you everyone.

On motion duly made and seconded,
with all members voting in favor,
the Meeting was recessed to Executive Session at 7:55 PM

There being no further matters to come before the Board,
