Re: Installation of Stop Signs

Supervisor/Mayor Belmont and Members of the Village Board:

I respectfully request the village board pass a resolution to install six Stop Signs on Sunny Ridge Road at the listed locations:

1. At the intersection of South Road (North Bound) and (South Bound)
2. At the intersection of Bates Road (North Bound) and (South Bound)
3. At the intersection of Sunny Ridge Plaza (North Bound) and (South Bound)

After investigating the intersections it revealed a line of sight problem exists for motorists entering these intersections and as there has also been an increase in traffic over the years. The installation of stop signs at these locations will create a safer environment for vehicular and pedestrian traffic.

Respectfully submitted,

Michael D. Olsey
Chief of Police

MO/jc
