Re: Purchase of 96-Gallon Sanitation Carts

Dear Mayor Dionisio and Members of the Village Board:

In an attempt to improve the efficiency of the Sanitation Department, I have proposed expanding the automated sanitation collection program to select areas in Downtown and West Harrison. This can be accomplished by adding additional stops to already existing routes.

Further, additional carts are needed to replenish departmental stock. I have attached a copy of the proposal for your information.

Therefore, Village Board authorization is requested for the Purchasing Department to issue a purchase order, payable to Schaefer Plastics North America, LLC, in an amount not to exceed \$47,580.18. Funding for this purchase is available in the Sanitation Operating Budget – Account # 005-8160-100-0410 – Materials and Supplies.

Respectfully submitted,

Christopher Park
