Re: Execution of Agreement -- Sustainable Westchester

Dear Mayor Dionisio and Members of the Village Board:

Village Board authorization is requested for the Mayor to execute the attached agreement with Sustainable Westchester as it relates to our sanitation and recycling communications platform. This agreement extends our relationship with Sustainable Westchester (SW). As you may recall Sustainable Westchester created the Recycle Right App used by the Village of Harrison and surrounding communities. Further, SW provides all maintenance on the app.

The estimated annual cost to the Village is \$6,500. This is a budgeted item. It is also expected that a grant from NYSDEC shall cover half of the cost in subsequent years.

The Law Department has reviewed the agreement and deems it satisfactory for execution.

Respectfully submitted,

WITNESSETH

WHEREAS, Article 5-G of the General Municipal Law of the State of New York authorizes municipal corporations of the State to enter into agreements for the performance among themselves or one for the other of their respective functions, powers and duties on a cooperative or contract basis or for the provisions of services; and

WHEREAS, TARRYTOWN agreed to act as the lead entity on behalf of a group of municipalities in Westchester County, and applied for a multi-municipal grant to the New York State DEC for a shared “recycling app” and the municipalities (collectively the “Parties”) have recognized the need to undertake efforts designed to increase sustainability of natural resources and encourage progress toward the goal of improving efforts to recycle municipal waste; and

WHEREAS, the Parties acknowledge that the recycling waste stream of commingled glass, metal and plastic, as well as paper and cardboard pulp, among other resources jointly recycled by communities in Westchester County make up a majority of the waste stream and if such materials are handled properly and treated as materials can be among the heaviest components of municipal trash sent to landfills or incinerators, and

WHEREAS, the Parties understand that recyclable materials are assets and resources that can be secured and traded and sold to turn such materials back into goods, reducing the reliance upon landfills and resulting in cleaner soil, water and air; and

WHEREAS, the Parties recognize that an advantage to establishing a standard, common platform for recycling saves money on the development of such “app” or program and results in a more uniform and more effective approach towards recycling for all of the participating municipalities, which this group hopes will expand heading into the future; and

WHEREAS, these eighteen (18) municipalities have determined that cooperating to secure this “recycling app” will result in a more efficient and effective approach, that is recognized, supported and funded by a grant from the NYS DEC to improve recycling efforts by all of the participating municipalities, and these twelve municipalities, the Parties, wish to work together and cooperate in this program through the execution of this Intermunicipal Agreement (“IMA”);

NOW, THEREFORE, the parties hereby agree as follows:

1. Sustainable Westchester (SW) is agreeing to work with a group of eighteen (18) municipalities for the calendar year 2023, in order to procure a shared, common platform “Recycling App” aka Recollect that can be used to answer common questions that residents of all municipalities have for their respective departments of public works, and to request follow-up or corrective services from public works departments, such as to pick up missed recycling collections, or other related questions and municipal services.
2. The Parties agree that the Village of Tarrytown has been designated the “lead” municipality in the joint recycling grant application to the New York State Department of Environmental conservation (NYS DEC) and TARRYTOWN has been awarded the grant, on behalf of the other municipalities and must take the following steps:
 - a. Tarrytown must execute the recycling grant with the New York State DEC
 - b. All participating municipalities must authorize and execute the IMA, including Tarrytown
 - c. Along with the IMA, all municipalities will also receive invoices as per their agreed upon service contracts signed with SW
 - d. All participating municipalities must forward their payments per the invoice received from SW, to be made payable to the Village of Tarrytown
 - e. Upon receipt of all of the monies on behalf of the participating municipalities, Tarrytown shall make payment on behalf of all of the participating municipalities to Sustainable Westchester, for all work performed during the 1st term of the one-year service contract.
 - f. The rights and privileges of all participating municipalities with SW as the service provider, shall be established, preserved and maintained.
 - g. Upon payment to SW, the Village of Tarrytown shall then apply for and seek reimbursement pursuant to the NYS DEC Recycling Grant, with any and all such funds to be deposited to the dedicated fund established for this purpose.
 - h. Upon receipt of any and all grant reimbursable funds from the NYS DEC Recycling Grant, the Village of Tarrytown shall then process payment through the normal channels for accounts payables, with each participating municipality receiving their proportionate share of the grant funds for this purpose.
3. The term of this IMA will effective for the calendar year for which the grant was awarded and in the future, if renewed by each municipal board, shall coincide with the calendar year, so that its term shall be from January 1 through December 31, to be renewed from year to year.

4. Village of Tarrytown has offered to continue to coordinate as lead applicant for the same DEC grant opportunity assuming its availability. A revised IMA will be prepared by the Village of Tarrytown and sent to all municipalities in that event.
5. This Agreement constitutes the entire agreement and understanding of the parties, and supersedes all offers, negotiations and other agreements. There are no representations or understandings of any kind not set forth herein. Any amendments to this Agreement must be in writing and executed by both parties.
6. Each of the signatories to this Agreement warrants and represents that each has the power and authority to enter into this Agreement and that the Board of Trustees of Tarrytown and the City Council(s), Town Council(s) and Village Board of Trustees of each respective municipality has authorized execution of this Agreement.
7. All notices required hereunder shall be sent by e-mail, or by US Mail, First Class, or hand delivery, or by facsimile with original copy forwarded by first class mail to the respective parties at the addresses here and above set forth or to such other addresses as each may hereafter designate in writing. Notices shall be addressed, if to TARRYTOWN, to the attention of the Village Administrator, and if to the other municipalities to the attention of their respective officials, listed as follows:
