Re: **Authorization to Advertise and Receive Bids
Sanitary Sewer Rehabilitation Project
Phase 1 Lining— Trails and Winfield Areas**

Dear Mayor Dionisio and Members of the Village Board:

Village Board authorization is requested for the Purchasing Department to advertise and receive bids for the Sanitary Sewer Phase 1 Rehabilitation Project.

This work stems from the initial Village wide sanitary sewer system study and entails lining of the system in the Winfield and Trails area. This part of the rehabilitation project is estimated to have a cost on the order of \$2,000,000.

The Sanitary Sewer Rehabilitation Project is being partial funded by the NYS Water Quality Improvement Project (WQIP) Grant which the Town was awarded \$5,000,000 with a 75% reimbursement rate.

Respectfully submitted,
