Re: Resurfacing of Nelson Avenue

Dear Mayor Dionisio and Members of the Village Board:

Village Board authorization is requested for the Purchasing Department to issue a Purchase Order payable to Westchester Hills Landscaping in an amount not to exceed \$101,700. The work associated with the project includes the milling and paving on Nelson Avenue between Union Avenue and Mathews Street. A copy of the proposal is attached for your information and review.

Further, this work is being performed by "piggybacking" on Westchester Hills Landscaping's contract with the Town of North Castle.

Finally, funding is available in the following Capital Accounts #20HW04 (\$8,962), #21HW05 (\$44,854) and #22HW02 (\$47,844), CHIPS Funding.

Respectfully submitted,
