Dear Mayor Dionisio and Members of the Village Board:

The work associated with the project includes the milling, paving and curbing installation on Lake Street/Harrison Boulevard between the Town Line and Underhill Avenue. A copy of the proposals are attached for your information and review.

Further, this work is being performed by "piggybacking" on Westchester Hills Landscaping's contract with the Town of North Castle.

Finally, funding is available in Capital Account #22HW02 (\$12,535) and 23HW03 (77,853.50), CHIPS Funding.
