Re: Addition of Stop Signs on Sterling Road

Supervisor/Mayor Dionisio and Members of the Village Board:

Recommendation that the Village Board approve the addition of stop signs on Sterling Road at the intersection of Archer Road east. Archer Road crosses Sterling Road at two intersections and within 150 feet of each other. The intersection to the east is at the end of a curve in Sterling Road which creates a limited line-of-sight condition when exiting the Archer Road from the south.

The installation of two stop signs on Sterling Road at Archer Road east, would make that intersection a 3-way stop and would improve the safety of that intersection. Town Engineer was consulted for this addition. See the attached photographs.

Respectfully,

John T. Vasta
Chief of Police
