

Harrison Recreation Department

ART DAY - Creative Workshop with Mr. Amico April 22, 2024 - Spring Creativity Workshop

Monday, April 22
9:30 am - 2:30 pm

Grade 1st - 6th

Leo Mintzer Center
251 Underhill Avenue
West Harrison

Please send your child with
lunch, drink and snacks.

In this creative art day workshop artist from 1st - 6th grade will explore & experiment with various materials, and art making techniques.

The birds are chirping & flowers are blooming - Spring is here. So to reflect this beautiful season we will create a colorful array of flowers using Q-tips collaged in a paper vase. Use popsicle sticks, buttons & paint to craft our very own daisy family. And wait - what's that delightful buzz? Dragonflies, you say? Absolutely! We will cleverly transform clothespins into the most amazing dragonflies you've ever seen, making our springtime theme complete

The workshop will be taught like my classroom, differentiated for all ages to succeed and have fun !

Enrollment is limited

Resident \$ 75.00
