

# Harrison Recreation Department

## ART DAY - Creative Workshop with Mr. Amico May 24, 2024 - Summer Creativity Workshop

In this creative art day workshop artist from 1st - 6th grade will explore & experiment with various materials, and art making techniques that reflect the fun & exciting season of Summer!

What doesn't 'Scream' Summer Like Ice Cream, the beautiful warm Sun, & Sunflowers? To reflect this fun & exciting season, we will create a 4-scoop ice cream cone mixed-media collage, a giant sunflower with a wooden stick as its stem to parade around the room with, and yes, what would summer be without the sun? We will create a paint on paper Sun collage, using oil pastels & cut paper to fill its rays with whimsical designs.

And as a BONUS, new 'Amico Bear' Coloring sheets will be available to take home.

The workshop will be taught like my classroom, differentiated for all ages to succeed and have fun !

Friday, May 24, 2024  
9:30 am - 2:30 pm
