Re: Letter of Intent  
Multi-Jurisdictional Hazard Mitigation Plan

Dear Supervisor Belmont and Members of the Town Board:

Town Board authorization is requested for the Supervisor to sign a Letter of Intent for the Town of Harrison to participate in the Westchester County Multi-Jurisdictional Hazard Mitigation Plan.

As you may recall, an approved Hazard Mitigation Plan is required for the Town to apply for mitigation funding from FEMA. The Multi-Jurisdictional Hazard Mitigation Plan will take effect when our current plan expires in October 2015.

Our contribution to this effort will be in the form of in-kind services to complete the update of activities completed and proposed within the Town, meeting attendance and a representative on the County Committee.

Respectfully submitted,

Michael J. Amodeo, P.E.  
Town/Village Engineer
