TOWN/VILLAGE OF HARRISON  
COMPTROLLER'S DEPARTMENT

TO: Ronald Belmont, Supervisor/Mayor and Members of the Town/Village Board  
FROM: Maureen MacKenzie, Comptroller/Treasurer   
RE: Town/Village Board Meetings of June 19, 2014  
DATE: June 13, 2014

Authorization is requested for the Town/Village to register with Houston Galveston Area Council (HGACBuy) a cooperative purchasing organization, in order to purchase items through this organization. There is no cost to the Town/Village to register.

Purchasing through cooperatives was authorized by New York State in 2012. We have joined several cooperatives and purchased items from their contracts. It has saved us both time and money.

If you so choose, kindly adopt a resolution giving approval for our registration with Houston Galveston Area Council (HGACBuy), and that the Supervisor/Mayor be authorized to execute the agreement after a review by the law department.

Respectfully submitted.
