Re: Professional Services Contract
Lincoln Lane Drainage District

Dear Mayor Belmont and Members of the Village Board:

Village Board authorization is requested for a professional services contract with Woodard and Curran for work associated with the evaluation and design of the improvements on Lincoln Lane at a cost not to exceed \$66,200.00. A copy of the detailed proposal is attached for your information and review.

As you may recall, the cost of this contract and the subsequent construction costs will be charged back to the residents who formed the Lincoln Lane Drainage District. Therefore, funding for this contract is available in Capital Account 14DR03.

Further authorization is requested for the Purchasing Department to issue a purchase order payable to Woodard and Curran at a cost not to exceed \$66,200.00.

Respectfully submitted,

Michael J. Amodeo, P.E., CFM
Town/Village Engineer
