PUBLIC HEARING RE: AN AMENDED SPECIAL EXCEPTION USE PERMIT FOR
THE TENNIS ENCLOSURE AND GOLF COURSE IMPROVEMENTS AT
CENTURY COUNTRY CLUB

On motion of Councilman Malfitano, seconded by Councilwoman Amelio, the hearing was opened.

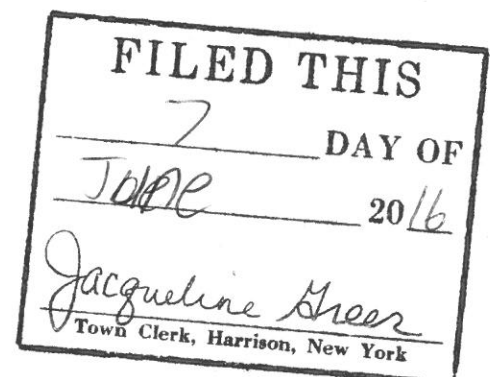

Charles Gotlieb from Cutty & Fedder spoke on behalf of Century Country Club for an amended special permit application for a seasonal tennis bubble enclosure and other improvements around the golf course. This application was before the Planning Board and approved on April 26th.

Harrison resident Ted Demirjian addressed the Board and said that Mr. Ward from Century Country Club showed him some of the changes that are being planned and he just wanted to make sure that there is no loss in translation from the Planning Board to Town Board. He explained he lived directly behind Century and they have been very good with explaining all of this. He wanted to make sure that the areas in the wetlands, which was his concern, are the only ones that are going to potentially impact me as a resident.

Charles Gotlieb from Cutty & Fedder said there is nothing proposed on the tee box; the green on the golf course side.

Supervisor Belmont assured Mr. Demirjian that our building inspector abides by what the Planning Board has suggested.

On motion of Councilman Malfitano, seconded by Councilwoman Amelio, the hearing was closed.
