

5/1/16

Mayor Belmont and board members,

I would like to request your permission to allow Matthew Fitzgerald to join the Westchester County Cause and Origin Team, myself and my firematic officers have looked into what is involved and would be proud to have one of our own involved in this organization. With your permission I can sign and submit the necessary documents. Thanks for your continued support and as always, feel free to reach out to me at anytime.

Thanks
Frank Forgione
West Harrison FD
