OLD BUSINESS

Harrison resident Elizabeth Schaper who is a candidate for Mayor/Supervisor brought to the Boards attention that there had been theft of her and her teammate's campaign signs. She noted she had reported it to the police and she acknowledged police will follow up. I'm asking if you know how we could make sure that these signs are not played with. You all know how expensive they are. It is a problem every campaign season.

Mayor Belmont said I'm personally not in favor of signs; I think they distract from the atmosphere of the town. I stated that to your party chair many moons ago and tried to come up with a compromise.

Harrison resident Elizabeth Schaper asked Mayor Belmont if he wanted to put a limit on how many signs get put up and where.

Mayor Belmont said it's probably too late for this season. He suggested after the election they work together to come up with a solution.

There being no further matters to come before the Board,  
the Meeting was, on motion duly made and seconded,  
declared closed at 9:22 PM.

Respectfully submitted,

Jacqueline Greer  
Town Clerk
