Dear Mayor Belmont:

This letter is to advise you of the intention of the Harrison Volunteer Fire Department to host a Firemen's Carnival on August 10th - 13th, 2017 on the grounds of St. Gregory's School parking lot.

I understand that our department needs permission to fundraise from the Fire Commissioners. Please advise me as soon as possible if we have the Commissioners approval, so we can move forward with booking of same.

I can be contacted at 914 837-3330.

Sincerely,

Richard DiBicari, President
Harrison Volunteer Fire Department
