RE: Application for Correction RP-556B

Mark,

Enclosed is an application for corrections (RP-556-b) that this office received for the parcels referenced above. The year involved is 2012/2013. It is my **recommendation** that this application be approved pursuant to §550.2(d) of the Real Property Tax Law and corrections be made to the tax roll accordingly.

Please make sure that each applicant is notified of the final decision of each applicable tax levying body. As you are aware, each individual City or Town makes decisions about real property assessment for Westchester County since they annex the Westchester County warrant to the final assessment roll.

Enclosures

Sincerely,

In the month of June, 2013 I communicated with you about an issue of STAR errors to a Co-op in the town of Harrison. I had a long protracted work-out attempt with the State, which failed. Left with no other options, I manually calculated the totals for the Park Knoll Owners Corp., and found that the STAR totals were shorted. The State has acknowledged that the patches for Cooperative building have not worked; therefore, I am applying for a correction of errors on RP-556-b. The essence of the shortfall is that it appears that 6 applicants are not getting their STAR rebates. I am submitting for your review Tax bills for the three parcels affected, along with spreadsheets which match our own calculations. We hope to resolve this issue sooner rather than later. If any additional documentation is required please advise. Thank you for your help in this matter.

Subject RE: STAR Coops (Benefit Amount Calculation)

David - Thanks, I'm aware of this situation and a review was performed.

I agree with your recommendation as to the correction of errors process.

Relative to the situation itself, Mark, you raised this towards the beginning of this year and folks here actively reviewed this in early April.

At the time the Town ran 2012 school bills (August 2012), the Town was on Build 2011 (db 699, the highest level of Build 2011). Co-ops did not process correctly in Build 2011. There have been enhancements in this regard in Build 2012 with some further enhancements in Build 2013.

Subject: RE: STAR Coops (Benefit Amount Calculation)

Mark,

I'd advise that you document the errors in a spreadsheet with the data, as applicable, required as per Part 1 Section 2 of RP-556-b.

A completed RP-556-b with all supporting documentation, available @ http://www.tax.ny.gov/pdf/current_forms/orpts/rp556b_fill_in.pdf, should be submitted to my office since this appears to be a "Mathematical error in computation or extension of the tax."

Please be sure that the reason for the error is fully explained.

I've copied John Wolham on this for his input and just in case he is unaware of this.
