Re: Stormwater Mapping Services  
Inter-municipal Agreement

Dear Supervisor Belmont and Members of the Town Board:

Town Board authorization is requested, following review and acceptance by the Law Department, for the Supervisor to execute the attached inter-municipal agreement between the Town of Harrison and the Village of Sleepy Hollow, for the purpose of locating and mapping with GPS coordinates stormwater catch basins and manholes. The financial obligation of the Town comes in the form of in-kind services.

This project, made possible by a grant from the New York State Department of Conservation, will assist the Town in meeting NYSDEC Stormwater Reporting Requirements.

Respectfully submitted,

Michael J. Amodeo, P.E., CFM  
Town/Village Engineer
