TO: Ron Belmont, Supervisor/Mayor

DATE: July 1, 2013

SUBJ: E-Z Pass "On-the-Go"

I am requesting that the Town Board approve my request to establish an E-Z Pass "On-the-Go" Sales Center. I have been working with the New York State Thruway Authority to become one of the first communities in New York to offer this service. The E-Z Pass "On-the-Go" program will allow the Town Clerks Office to retail the actual device to 2 axel vehicles. I will only sell the devices. It will be up to the resident to register it on line or by phone. The Clerk's office will not service accounts or accept monies for replenishing the pass. The town will receive 17% of gross sales.

I am also asking the Board to authorize \$525 for the purchase of the first 25 passes. I also am requesting approval to sign the agreement with the New York State Thruway Authority after review by the law department.

Yes. E-ZPass On-the-Go Tags are excellent gift ideas for any occasion. You can buy the Tag and give it to anyone to register the Tag at a later date.

Does E-ZPass On-the-Go cost Extra?

No! There is no additional cost for getting an E-ZPass Tag at an On-the-Go location. The full \$25.00 payment is moved to an E-ZPass account once the Tag is registered.

Can I add an On-the-Go Tag to my existing E-ZPass account?

Yes, if your existing Tag was issued by the NYS Thruway Authority. This can be determined by verifying that the first three digits of your Tag begin with 004. If the Tag does not begin with 004, then you may not add this Tag to the account.

What if I have more than one vehicle?

Each account can have up to 4 E-ZPass Tags or extra mounting strips will be provided if you want to move your E-ZPass Tag between vehicles. However, all vehicles that use this Tag must be two-axle, four tire vehicles and have the Tag mounted correctly on the windshield.

Can I use an On-the-Go Tag for airport parking?

Yes. When you register the Tag and choose credit card with automatic replenishment, you are automatically enrolled in E-ZPass Plus. E-ZPass Plus allows you to use your Tag at JFK, LaGuardia, Newark, Syracuse/Hancock Airport and Albany Airport parking facilities.

Will I get an E-ZPass statement?

Yes. Your statement will detail all trips by date, location and toll amount, as well as any payments made.
