RE: Request for Board Resolution regarding Grant Application

I request that the Town Board pass resolution permitting the Court Clerk to apply for up to \$30,000 in grant money from the 2013 Justice Court Assistance Program (JCAP). Said monies, should the grant be approved, would be used to purchase new computers for the Court Clerk's office as well as various security improvements including—but not limited to---bulletproof glass for the court's customer service window, microphones to better assist in communicating with customers at the window and panic buttons to be installed throughout the office and on the bench in the courtroom.
