Harrison Community,

We realize you have questions about the potential impacts that coronavirus (COVID-19) may have on Summer Day Camp and pool facilities. Please know that the Harrison Recreation Dept. is monitoring the situation, and we pledge to provide you the most up-to-date information available. Ultimately, our directive will come from the Westchester Dept. of Health.

We are currently planning for the Summer Season with alternate program layouts if deemed necessary. Our first goal and responsibility is for the safety and health of our patrons and staff members.

Please note that the May 7th Day Camp app and pool passes late fee/deadline has been lifted. More info will be sent out in the coming weeks.

Thank you and be safe.
