

HARRISON
RECREATION DEPARTMENT
GERRY SALVO
Superintendent
(914) 670-3035

To our Harrison Parents and Campers:

May 26th, 2020

We hope that you all are doing well and staying safe. Our Department continues to follow all mandates issued by New York State. We are also governed by Westchester County Dept. of Health in regards to all our camp programs as well as our pool facilities.

In regards to Summer Day Camp, we must make the difficult decision to cancel our Summer Day Camp programs due to the inability of the Westchester County Dept of Health's issuance of the necessary operating permits. We tried to hold off as long as possible but understand that families need to be notified so they can begin to plan accordingly. Refunds will automatically be processed and mailed within the next few weeks.

It is important to state that we are working and planning on providing recreational opportunities as regulations are modified or even lifted. In doing so, decisions will be made that are intended to protect the safety and welfare of all residents.

Thank you for your patience and understanding during this time. If you have any questions and or concerns, please do not hesitate to call our office at (914) 670-3035. We will post any updates we have on our website, facebook group and Eblast system.

Thank You & Be Safe,

Gerry Salvo
Superintendent of Recreation
