RE: Transfer of Budget Funds

The Harrison Fire Department, District # 2 is requesting to transfer funds from the Fund Balance to the Building Maintenance and Repair budget line.

There is a substantial area of the Fire Headquarters roof that has missing shingles. This area is currently unprotected from the weather and has begun to create water leaks inside the building. We have an estimate of \$10,800.00 to complete the repair. Please see attached copy of the estimate.

The transfer of \$10,800.00 will enable us to move forward on the repairs as soon as possible.

Thank you for your attention to this matter. I am available at any time should you require further information.

Respectfully Submitted,

William Nardozi
Assistant Fire Chief
